Bad luck for Sally

Aus "The New You&Me" 1, Unit 24, Langenscheidt/Longman

Idee: Daniele Winkler

Sally took her grandma's dog for a walk. Grandma gave her 50p. Later Sally went to the park for a walk. There she saw an ice-cream man and ran over to the ice-cream shop. Sally bought an ice-cream cornet with grandma's money. But a big boy tried to grab her cornet. The ice-cream fell onto the grass and a dog ate it.
